Utah Law requires the registration of commercially used weighing and measuring devices. This includes fuel dispensers, meters, small scales, large scales, and check-stand devices (scanners). Our records indicate that you own or operate some of these devices. Please submit the following **corrected** information:

See reverse side for "Definitions" and assistance in completing this step of the survey:

Number of Devices: ____ Fuel Dispensers
 ____ Meters: LPG, Vehicle Tank, Rack
 ____ Small Scales: 0 lbs to 999 lbs
 ____ Large Scales: 1,000 lbs and greater
 ____ Check-stand devices (scanners)

***Your registration fee will be determined by the category in which you have the **most** devices.**

Depending on your device numbers, you belong in one of the following four groups:

Please check the box in which you have the greatest number of devices.
